Construction. Fun
with Children.
Volcanoes, Ziplines,
and more!

JULY 29TH – AUG. 5TH LEÓN, NICARAGUA

Experience life and faith in the international mission field

Nicaragua is the second most impoverished nation in the world. Families live off of less than \$15 a week. Schools do not have electricity, running water, or basic supplies. Children live in unsafe and unsanitary conditions. Residents struggle to trust the government and leaders. There is hope for Nicaragua. El Ayudante is working directly with local leaders to improve the schools, build clinics, and improve family's living conditions. You can make a difference in Nicaragua.
